Dear Chair DeLauro and Ranking Member Granger:

I am requesting the authorization of \$10,000,000 for environmental restoration activities and water quality control for Indian Lake, St. Marys, Lake Loramie, Guilford, and Buckeye lake in Ohio. These lakes are currently maintained as State Parks by the Ohio Department of Natural Resources headquartered at 2045 Morse Road, Columbus, Ohio 43229. The funding would be used to address water quality issues caused by cyanobacteria, often called blue-green algae, by removing algal blooms and harmful nutrients. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Member of Congress
